****Please understand that just because this form gets handed in, that does not automatically place you on a retreat team for this year. As done in the past, some teens are involved in more than one retreat based on what help is needed but not everyone will be on every retreat team. I try my best to meet everyone's needs, but ultimately team leaders are placed where I feel they would serve the freshmen and sophomores best. You will be notified the end of July/beginning of August.****
